

Programme

1100-1115: Address by Principal , Mr Ang Pow Chew

1115-1200: Briefing about Registration Matters and Orientation Programme by Yearhead

1200-1300: Art Elective Programme / Music Programme Briefing (Optional)

A) Slides will be made online by 5pm, this evening

B) Junior High Year Head , Mr Sham (93375140)

The background of the slide is a photograph of a building's exterior. On the left, there is a large, dark red wall. On this wall, there is a large, stylized logo that appears to be a hand or a similar shape, rendered in a lighter color with some red and orange accents. To the right of the red wall, there is a white wall with a blue sky visible in the upper right corner. The overall composition is dynamic, with strong geometric shapes and a vibrant color palette.

SMM Regulations

Safe Management Measures in National Junior College

- The Safe Management Measures (SMM) are aligned with our national posture for containing the spread of Covid-19 and are for strict compliance.
- As the increase in visitors to school would pose additional risk to staff and students, NJC would need to adapt the conduct of these activities to minimise the duration and number of parents/guardians that need to be in schools.
- We will be following **additional** safe management measures (SMM) on top of existing visitor management guidelines to mitigate the risk level.
- As such we will be using online alternatives such as webinars to replace all mass briefings.**

SMM Regulations

Safe Management Measures (SMM) for Visits to School by 2021 JH1 Parents/Guardians

The following guidelines should be observed for all visits to the school by parents/guardians:

- Parents/ guardians should not turn up in school unannounced. Students should be accompanied by at most one parent/guardian
- You will need to fill out the form <https://go.gov.sg/kbdnmn> at least 1 day before your scheduled arrival to NJC
- Parents/guardians should only enter the school only on days where current students need not report to school (provide dates)
- Entry is via the Main Gate along Hillcrest Road only
- Safe distancing of 1m should be maintained at all times between different groups of parents/guardians and students.
- All Administrative Tasks should be conducted online.

1st Day of School

- **MONDAY 11 Jan 2021, 7.30 am, NJC Hall**
- **Orientation Programme** for students
 - Due to the current Covid-19 situation, parents need not, and should not, accompany students
 - No parking is available in NJC, kindly make arrangements for dropping off your child, or use public transport
 - Note that the traffic condition in the vicinity is typically very heavy around that time / **from 7.10 am**
- Be in NJC school uniform (or primary school uniform if NJC uniform is not yet purchased)
- What to Bring? ❓ refer to Welcome Letter

Use of ICT in Teaching and Learning

- College looks into what it means to be student-centric and self-regulator
- As a College, we create an environment and inculcate the strategies of self-regulation into our students when young :
 - ❖ Fore-thought, plan
 - ❖ Manage own performance
 - ❖ Self-Reflect

National Digital Literacy Programme(NDLP)

- Launched in March 2020
- Help students strengthen their digital literacy
- PDLP is one of the main component
 - Every secondary school student to own a school-prescribed personal learning device(PLD) by end-2021

“Out of this crisis, and by virtue of necessity, we gained something quite extraordinary – mass acceptance of online learning. However, online learning also highlighted the challenge of the digital divide. Many students did not have devices to participate in HBL. Now that we have bridged the acceptance gap of online learning, it is time to also close the digital divide. Instead of 2028, we will advance the plan – by seven years.”

Ong Ye Kung

Minister for Education, June 2020

Personal Learning Device(PLD)

- Will be used in tandem with national e-learning platform: the Singapore Student Learning Space(SLS) and Google Classroom
 - and other educational technology to personalise and enhance students' learning.
- Enable students to acquire digital skills and apply these skills in an increasingly digitalised world

Intended Outcomes of PDLP

Enhance Teaching and Learning

PLDs harness technology for greater effectiveness in teaching and learning, enabled by teachers' use of **e-Pedagogy** to provide learning experiences for students

Support self-directed and collaborative learning

PLDs enable students to learn online **according to their needs** and **interests** and to **collaborate** with each other, anytime and anywhere

Support the Development of Digital Literacies

PLDs provide an immersive environment for students to **develop the dispositions, knowledge and skills to thrive in the digital environment.**
